# Welcome!

Hello, and welcome to the Town of Minturn. We are glad you decided to make Minturn your home, and excited to tell you about our community and the beautiful mountain surroundings we treasure. Located 7 miles west of Vail and east of Avon, our town covers 7.761 square miles of ageless landscapes and well-established neighborhoods that make Minturn an ideal home for all age groups.

Outdoor recreation abounds in Minturn. We like to say "small town, big backyard." Minturn is surrounded on three sides by the Holy Cross Wilderness and White River National Forest, and the mighty Eagle River runs all the way through town. Outdoor activities include hiking, mountain biking, fishing, kayaking, SUPing, horseback riding, backcountry and cross country skiing, snowshoeing, and much more.

Earle Bidez, Mayor

Residents and businesses of Minturn have varied reasons for moving here, from the friendly community feel, to our centralized location. We are only minutes from everything the Vail Valley has to offer. The world-famous ski resorts of Vail and Beaver Creek are only minutes away, unequalled health care can be found at Vail Health, just 10 minutes to the east, and travel is made easy with the Eagle County Regional Airport only a short 30-minute drive. Whatever you are seeking, as a visitor, business or new resident, we welcome the opportunity to meet your needs.

The businesses that call Minturn home have the benefit of being centrally located within an economic corridor connected by major highways and thoroughfares. Highway 24 through Minturn is also part of the Top of the Rockies designated national and state Scenic Byway. This provides traffic past our storefronts, and easy access to the unique shops and restaurants within our quaint yet modern small town. A downtown map and directory can be found at [www.minturn.org](http://www.minturn.org). Please note that all businesses (including home businesses) that are physically located in Minturn are required to obtain and maintain a Minturn Business License.

On our website, you can find access to information about our governmental structure, staff and officials, as well as many of our amenities, special events, and cultural offerings. Little Beach Park and Amphitheater is home to many town-sponsored events, but is also available for private bookings. The Minturn Bike Park, which opened in 2020, is free and open to the public. The dual slalom course within the park was featured in the 2022 and 2023 GoPro Mountain Games.

All of us who call Minturn home are proud to welcome you to our town. Minturn is a great place to live, work and play. Please join us for our next town event, Council meeting, or just come in to town hall to say hello. Additional information can always be found at [www.minturn.org](http://www.minturn.org).

Sincerely,

Earle Bidez  
Mayor  
Town of Minturn
