MAIN STREET (HWY 24) PEDESTRIAN PLANNING

Residents of Minturn have expressed the desire for the town to provide a safe mode of transportation for pedestrians and cyclists of all ages, especially along areas of Main St (HWY 24) where no path, shoulder or sidewalk exists for kids walking to the school bus stop or families trying to get to Little Beach Park (as examples). The Main Street Pedestrian Planning project is the first step in the process to meet this public need.

**OPEN HOUSE
JUNE 7, 2016
4:00 PM - 7:00 PM
MINTURN TOWN HALL**
