

# US 24 at Minturn Roadway Improvements

**Construction begins: May 13, 2019 - October 2019**  
**US 24 from I-70 - to Maloit Park Road (MM 147)**

The Colorado Department of Transportation (CDOT), in cooperation with American Civil Constructors LLC will begin roadway improvements on US 24 from I-70 Exit 171/ Minturn off-ramps through the town of Minturn to Maloit Park Road (mm 147). Work is scheduled to begin Monday, May 13, 2019 and will continue through October 2019.

This \$6.7 Million resurfacing project will improve the existing roadway surface and advance safety enhancements throughout the corridor. Safety features include rockfall mitigation, upgraded storm sewer capacity, upgraded guardrail to meet current standards and added sidewalks to improve multi-modal access. In partnership with CDOT, the town of Minturn has funded local improvements including additional sidewalks from Meek Avenue to the bus stop just north of the Battle Mountain Trading Post, new curb, gutter, driveway entrances and ADA enhancements. Significant storm sewer work will occur south of Cemetery Road to the bus stops (mm146) to improve drainage and reduce sediment discharge.

## TRAFFIC IMPACTS

- There will be no traffic holds before 9 a.m.
- Rockfall mitigation at mm 145 starts May 13 prompting 20-minute traffic holds between 9 a.m. – 4:30 p.m.
- Milling and paving begins May 20 at I-70 going south on US 24. Travelers should anticipate delays as we alternate through traffic.
- Sidewalk and drainage work in town starts in June requiring lane shifts and will limit street parking and sidewalk access as crews move through town.
- The Contractor will notify businesses and residences prior to work directly in front of their property.
